THE COMMENCEMENT

NATIONAL AIR

Oh, say can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars, through the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does the Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?

Oh, thus be it ever when freemen shall stand
Between their loved home and wild war's desolation;
Blest with vict'ry and peace, may the heav'n-rescued land
Praise the Pow'r that hath made and preserved us a nation!
Then conquer we must, for our cause it is just.
And this be our motto: "In God is our trust!"
And the Star-Spangled Banner in triumph shall wave
O'er the land of the free and the home of the brave.

INVOCATION.....Rev. Joseph Dutton

Motet—Let Their Celestial Concerts All Unite.....Handel

Let their celestial concerts all unite, ever to sound
His praise in endless morn of light.

CONFERRING OF HONORARY DEGREES

HYMN—America

My country, 'tis of thee,
Sweet land of liberty
Of thee I sing;
Land where my fathers died,
Land of the pilgrim's pride,
From every mountain side
Let freedom ring.

Our father's God to Thee,
Author of liberty,
To Thee we sing,
Long may our land be bright
With freedom's holy light;
Protect us by Thy might,
Great God, our King.

CHARGE TO THE GRADUATING CLASS.....The President

CHORAL BLESSING.....Lutkin

The A Cappella Choir

BENEDICTION.....Rev. John C. Floyd, D. D.

DELIVERY OF DIPLOMAS AND RECESSIONAL

Organist—Prof. Horace Whitehouse, A.A.G.O.

Note—The Gymnasium doors will be closed until the graduates have passed from the building. During the recessional the audience will please keep their seats in order to avoid confusion and delay.

Note—The distinctive colors in the hoods and the tassels of the caps accord with the following table:

Liberal Arts	White	Medicine	Green
Theology	Scarlet	Dentistry	Lilac
Law	Purple	Commerce	Drab
Philosophy	Blue	Speech	Silver-Gray
Science (incl. Engineering)....	Gold-Yellow	Education	Light Blue
Music	Pink	Journalism.....	Black and White

The tassels on the caps of the Seniors indicate by this table the nature of their degrees. In the hoods of the faculty and guests the color of the velvet border indicates the type of degree, while lining of the hood shows the colors of the university which bestowed the degree.

HONORARY DEGREES

Doctor of Science—Olin Hanson Basquin

- A Physicist and an Engineer; a productive scholar; a teacher of outstanding rank; one of the organizers of the Northwestern University School of Engineering and a former Professor in that School; distinguished for his investigations of stresses in steel and of strength of materials; discoverer of the "Exponential Law of Fatigue Phenomena." He was awarded the Chanute Medal in 1915 by the Western Society of Engineers for the best paper in Civil Engineering.

Presented by Dean William Charles Bauer.

Master of Arts—William Boyd

- A one-time student in Northwestern University and an early General Secretary of the Young Men's Christian Association of Evanston; a scholarly business man and a leader in the field of commercial advertising; a traveller of wide observation and experience, interested in Christian Missions and generous in the support of education in oriental countries.

Presented by Dean Emeritus Thomas Franklin Holgate.

Doctor of Laws—Abel Davis

- Private soldier in the Spanish-American War, graduate of Northwestern University Law School, practitioner at the Chicago bar, legislator, county recorder, civic leader of wide interests, gallant officer on the fighting front in France, recipient of numerous decorations and honors, brigadier general, vice president of the Chicago Title and Trust Company, worthy citizen—these mark some of the steps in the busy life of an adopted son who has served his community and country with generous courage and ability.

Presented by Dean Leon Green.

Doctor of Science—Gotthelf Carl Huber

- Distinguished son of the University of Michigan whose filial loyalty has been expressed in a life of unbroken, devoted service; respected and loved by students as friend, teacher and dean; a wise counsellor, entrusted by his colleagues with important responsibilities in determining academic policies; fruitful contributor to the fundamental understanding of all branches of microscopical anatomy, whose researches are models of patient, thorough and accurate observation and experiment; pioneer in the application of certain precise methods to the unraveling of difficult morphological secrets; a practical but scholarly scientist occupying a unique position among American anatomists.

Presented by Professor Leslie Brainerd Arey.

Doctor of Laws—Thomas Joseph McCormack

- A great teacher who has realized and has met the needs of his entire community by devoting his efforts to the individual student; an accomplished linguist whose studies have resulted in a remarkable mastery of his mother tongue; a philosopher who has followed the advances of science, both social and physical, without for a moment losing sight of the fundamentals; a scholar of catholic tastes who has grasped the large problems of life, but without superficiality; an enemy of chauvinism and a strong advocate of fairmindedness among nations.

Presented by Professor Henry Crew.

Doctor of Laws—Alexander Grant Ruthven

- President of a great state university; Director of an outstanding Museum of Zoology; leader of scientific expeditions; producer in scientific research; a successful administrator; an inspiring teacher.

Presented by Dean Clarence Stone Yoakum.

Doctor of Laws—Silas Hardy Strawn

- Distinguished leader at the bar; sometime president, Chicago Bar Association, the Illinois Bar Association, and the American Bar Association. Effective public servant abroad; delegate of the United States to the Pekin Special Conference on Chinese Customs Tariffs; American member of the Chinese Extra-territoriality Commission. Devoted servant of his own community; Chairman of the Citizens Committee for rescuing Chicago from its financial dilemma and for formulating a program of constructive tax legislation. Loyal friend of Northwestern University; president of the Northwestern University Associates.

Presented by Dean Ralph Emerson Heilman.
